# IMPORTANT INFORMATION

This benefits booklet highlights the benefits provided by Sanford Health in one helpful resource. The information in this booklet is not complete in its detail; for complete details of coverage, please refer to the appropriate Summary Plan Description found on the Total Rewards Dashboard in OneSource. If the terms of this Benefit Booklet differ from the policy, the policy will govern.

## Sanford's Plan Year

Sanford's plan year is from January 1-December 31.

## Am I Benefit Eligible?

You are eligible for benefits if you are scheduled to work at least 40 hours per pay period. Refer to each section for specific eligibility.

### Benefit Eligibility Definition of Full-Time

An employee who works greater than or equal to 60 hours per pay period.

### Benefit Eligibility Definition of Part-Time

An employee who works greater than or equal to 40 and less than 60 hours per pay period.

## Dependent Eligibility

Child dependents are eligible for health and dental coverage through the last day of the month in which they turn age 26.

If enrolling a domestic partner and/or domestic partner's child(ren) in health, dental, and/or vision, the employer paid portion of that benefit will be imputed as income and will be subject to federal taxation at the responsibility of the employee. The domestic partner's and/or domestic partner's child(ren)'s portion of the premium will be deducted after taxes. For more information, see the Domestic Partner Knowledge Article in the Sanford Service Portal.

### Dependent Eligibility Verification

Sanford Health performs regular audits to verify the eligibility of dependents covered under our health and dental plans. You will be notified by the Sanford Health Human Resources department if you are required to provide

additional information to verify eligibility of dependents. Note: If you fail to provide this documentation your dependent(s) may be removed from your health and dental plans.

### Eligible Dependents:

- Spouse
- Child(ren) (including biological, adopted, stepchild, legal ward, and/or foster child under age 26 or disabled child(ren) over age 26 with required documentation)
- Domestic partner
- Domestic partner's child(ren) (including biological child, adopted child, legal ward under age 26 or disabled child(ren) over age 26 with required documentation)

## Opportunities to Enroll

The opportunity to enroll in benefits or change benefits elections is available at the time of hire, during annual open enrollment, and when a qualifying life event occurs.

## New Hire Enrollment

As a new employee, you have 30 days from your date of hire to enroll in benefits.

To enroll online: go to [OneSource](#), find your inbox in the upper right-hand corner, click "Benefits Enrollment" action item and complete the wizard as prompted.

To enroll over the phone, contact the Benefits Enrollment Call Center at (877) 403-1591 and a representative will help you enroll. Call center hours are Monday through Friday from 7:00 am – 5:00 pm CST.

Benefits elected as a new employee are effective the first of the month following date of hire.

### Need help with online enrollment?

Search for "benefits enrollment" in the Sanford Service Portal for a job aid with step-by-step instructions

## Annual Open Enrollment

The opportunity to enroll in benefits for 2023 will take place from October 24<sup>th</sup> through November 11<sup>th</sup>. In order to have benefits for 2023, you must complete this enrollment as benefits do not roll over automatically.

To enroll online, go to [OneSource](#), click on the Open Enrollment link on the home page, and complete the wizard as prompted.

To enroll over the phone, contact the Benefits Enrollment Call Center at (877) 403-1591 and a representative will help you enroll. Call center hours during open enrollment are Monday through Friday from 7:00 am through 6:00 pm CST.

### Mark your calendars...

Open Enrollment is set for  
October 24 – November 11, 2022  
for benefits effective January 1,  
2023

## Qualifying Life Events

Employees who experience a qualifying life event during the plan year have the opportunity to make changes to their benefits outside of the open enrollment period.

If you are experiencing a qualifying life event, you have 30 days from the event to initiate the qualifying life event in OneSource, or by calling Total Rewards Team through the Sanford Service Center. For more information on qualifying life events, refer to the knowledge article in the Sanford Service Portal via Inside Sanford.

### Examples of qualifying life events include:

- Birth, adoption, or child's placement for adoption
- Marriage, divorce, or legal separation
- Gaining or losing coverage elsewhere
- Job status change (e.g. full-time to part-time)
- Death of spouse or eligible dependent

- Return from an **unpaid** leave of absence
- Become eligible or lose eligibility for Medicaid/Medicare or SCHIP

### The following are pre-tax benefit offerings and cannot be changed without a qualifying life event:

- Health Insurance
- Dental Insurance
- Flexible Spending Accounts
- Vision Insurance

Because these deductions are on a pre-tax basis, the IRS has guidelines on when you can make changes (i.e., enroll or cancel) to your benefit elections during the plan year.

All benefit changes are subject to Human Resources review and approval.

### If you are experiencing a qualifying life event:

- You have 30 days from the event date to submit the life event in OneSource
- You must provide appropriate documentation of the qualifying life event
- For more detailed information on how to submit a life event in OneSource and for a list of appropriate supporting documentation, refer to the Sanford Service Portal via Inside Sanford

## Continuation of Coverage (COBRA)

COBRA is a temporary extension of coverage when you or eligible dependents, who are covered under the plan, lose group coverage. COBRA coverage is available for health, dental, vision coverage and medical flexible spending accounts. COBRA coverage begins the first of the month following the date of the event that caused the loss of group coverage.

# HEALTH INSURANCE

Sanford offers two health insurance plans — Traditional Plan or Value Plan (HDHP+HSA). Employees who are scheduled to work 40 hours or more per pay period are eligible for health insurance.

**Note: Social Security numbers are required if enrolling your dependents in health insurance.**

## Which plan is best for you?

Use the Ask ALEX tool for help in choosing the benefits and coverage options that will meet your needs and your budget!

## Important Benefit Definitions

**High-deductible health plan (HDHP):** A plan with a higher deductible than a traditional health insurance plan. The monthly premium is usually lower, but you pay more health care costs before the plan pays. A high-deductible health plan (HDHP) can be combined with a health savings account (HSA). The Value Plan (HDHP+HSA) is a high-deductible health plan.

**Deductible:** The amount you owe out of pocket for covered health care services before your plan starts to pay.

**Coinsurance:** The percentage of charges to be paid by you for covered services, after the deductible has been satisfied.

**Copay:** A form of cost-sharing that requires you to pay a fixed dollar amount when a medical or pharmacy service is received. The insurance carrier is responsible for the rest of the reimbursement for the medical or pharmacy service.

**Out-of-pocket maximum:** The total amount of your deductible plus coinsurance and copayment amounts. Your out-of-pocket maximum is the most you have to pay during a policy period. Once

you reach your out-of-pocket maximum, the plan begins to pay 100 percent of the allowed amount for covered services.

**Health savings account (HSA):** An HSA is a tax-free savings account, owned by the employee, into which the employee and employer may both make contributions. Funds can be saved and used to pay out-of-pocket medical expenses including pharmacy, dental and vision expenses. The plan is administered by HealthEquity. Available to those on the Value Plan only.

## Livongo

Sanford's health insurance now offers Livongo to its members as a free health benefit. Livongo is a holistic program that helps with managing diabetes and other health goals like managing high-blood pressure, weight, stress and more.

To learn more about this benefit and the enrollment requirements visit the Livongo Knowledge Article in the Sanford Service Portal.

## Retiree Health

Sanford Health offers health insurance to retiring employees and their dependents under the following conditions:

- The employee is 55 years old or older and has completed a minimum of 20 years of continued service
- The employee and their dependents must be covered under the group health plan for active employees at the time of retirement or change to a non-benefit eligible status

Plan options and eligibility may differ based on an employee's collective bargaining agreement. Please refer to your specific contract to verify eligibility.

## Retired employees are responsible for 100% of the group rate.

Prior to retirement, contact the Sanford Service Center at (877) 949-5678. For more information about rates, eligibility or details on the plan, visit the Sanford Service Portal via Inside Sanford.

## HEALTH INSURANCE CONTINUED

Sanford offers two health insurance plan options through the Sanford Health Plan. The following outlines the employee responsibility for each plan

when seeking care in-network. Out-of-network care is not covered by health or pharmacy.

# HEALTH SAVINGS ACCOUNT (HSA)

HealthEquity administers the Health Savings Account (HSA). An HSA is a tax-free savings account, owned by the employee, into which the employee and employer both make contributions. Funds can be saved and used to pay out-of-pocket medical expenses including pharmacy, dental and vision expenses.

## How does an HSA work?

**Funding:** Pretax contributions can be made through payroll deduction or post-tax directly into your account. The amount of your contribution made through payroll can be changed as often as you want in OneSource, and changes are effective as soon as administratively possible.

**Accessing Funds:** You may pay for eligible expenses with HSA funds in multiple ways:

- Pay with the debit card that is tied to your HSA.
- Pay for the expense out-of-pocket and request reimbursement from your HSA.
- Pay the bill directly to the provider through the member services portal which can be accessed through My.HealthEquity.com.

**Account Management:** You can log into the member services portal to monitor your account.

## What are the benefits of establishing an HSA?

There are many benefits of establishing an HSA. Some of the top benefits include:

- HSAs are considered one of the best tax-advantaged savings plans available.
- Sanford Health will make significant contributions to health savings accounts.
- The balance can grow from year to year as you contribute.
- HSA funds belong to you even if you leave Sanford, change medical plans, or retire.

## Can anyone establish an HSA?

Per IRS regulations, you are eligible for the HSA if all of the following statements are true:

- Enrolled in a qualified high-deductible health plan (HDHP). The Value Plan is a qualified plan.
- Not covered by another traditional health insurance plan or flexible spending account.
- Not enrolled in Medicare, Tri-Care or receiving VA benefits.
- Not a dependent on someone else's tax return.

How much can I contribute to my HSA in 2023?	
Employee Only Coverage	\$3,850
Employee + Spouse/Child(ren)/Family Coverage	\$7,750
The maximum contribution amount includes any dollars contributed by Sanford Health. A catch-up contribution of an additional \$1,000 is allowed for employees 55 or older.	

How much will Sanford Health contribute to my HSA in 2023?		
Sanford Match	Employee Only Value Plan	\$500
	Employee + Spouse/Child(ren)/Family Coverage	\$1,000

# FLEXIBLE SPENDING ACCOUNT (FSA)

Sanford Health offers flexible spending accounts administered by HealthEquity. Using a flexible spending account is a great way to stretch your benefit dollars. An FSA is a tax-free account into which the employee makes contributions.

**Medical flexible spending account (FSA):** funds can be used to pay out-of-pocket expenses (medical, pharmacy, dental and vision). Medical flexible spending account funds do not roll over year to year. Employees who elect the Value Plan and a health savings account are not eligible for a medical flexible spending account. The maximum amount you can set aside is \$3,050.

**Limited purpose flexible spending account (LPFSA):** funds can be used to pay out-of-pocket dental and vision expenses. You must enroll in the Value Plan (HDHP+HSA) and a health savings account to elect a limited purpose flexible spending account. The maximum amount you can set aside is \$3,050.

**Dependent care flexible spending account (DCFSA):** funds can be used to pay dependent care expenses incurred to allow you and your spouse to work. Children younger than age 13 are eligible for the dependent care spending account. The maximum amount you can set aside is \$5,000 or \$2,500 if separate tax returns are filed.

## Important:

Dependent care expenses are NOT reimbursable during a leave of absence.

## How does the FSA work?

Estimate how much you expect to spend during the 2023 Plan Year for eligible out-of-pocket medical expenses or dependent care expenses. For your 2023 Plan Year, you will be able to submit for reimbursement of medical expenses with a date of service between January 1, 2023, and December 31, 2023, and be reimbursed with your 2023 Plan Year Funds. All eligible claims will need to be submitted by March 31, 2024.

Funds will be automatically deducted through payroll each paycheck for the amount you elect. You can access those funds quickly and easily by using your HealthEquity provided benefits card or request to have funds deposited to your bank account by submitting a claim form along with documentation. All funds must be substantiated with HealthEquity by submitting documentation to your member account.

All dependent care claims will require completion of a dependent care claim form. All claim forms can be found on the Sanford Service Portal via Inside Sanford.

You will be able to manage your FSA on-the-go with an easy-to-use mobile app – you can see your available balance anywhere, anytime as well as file claims and upload receipts. Go to [Learn.healthequity.com/sanfordhealth](https://learn.healthequity.com/sanfordhealth) for more information on how to manage your account and download the mobile app.

In increments of \$25,000 up to a maximum of \$75,000. Includes AD&D Insurance.

### Life Insurance – Child(ren)

For eligible child(ren) 14 days of age to age 26, you may elect coverage in the amount of \$10,000. For eligible child(ren) under 14 days of age, you may receive \$1,000 of coverage. Includes AD&D Insurance.

## Evidence of Insurability (EOI)

If you elect Voluntary and/or Dependent Life after your first 30 days of employment/benefit eligible status, UNUM will require an evidence of insurability statement or a good health questionnaire to be completed in OneSource. At annual enrollment only, you can elect the first increment (\$25,000) or increase coverage one increment (\$25,000) without medical questions. At any other time, you will need to complete an EOI.

## Beneficiary Designation

You will need to designate a beneficiary for your Basic Life and/or Voluntary Life insurance during your enrollment event in OneSource. A beneficiary is defined as someone who is listed on the insurance policy named to receive the death benefit. If you fail to designate a beneficiary, the benefit will be paid in the following order: your spouse, your children, your mother or father, your sisters or brothers, your estate.

## Business Travel Accident Insurance

Sanford provides all part-time and full-time employees with travel accident insurance when traveling for business-related reasons. Benefit amounts and coverage depends on the employee's class. Refer to the [knowledge article](#) for more information.

# RETIREMENT BENEFITS

## 401(k) Retirement Savings Plan

(Contract #458980)

Sanford offers all employees the opportunity to contribute pre-tax or post-tax dollars towards their retirement by offering the Sanford 401(k) Retirement Savings Plan. The 401(k) is record kept by Principal. You are automatically enrolled at a 3% contribution rate following 30 days of employment. You may contribute sooner by making an active election online or by contacting Principal at (800) 547-7754 or logging into your account at Principal.com. Additionally, your contribution rate will be automatically increased by 1% each year until you reach a 15% contribution rate in your 13th year of employment.

Sanford matches dollars that you are contributing into your 401(k) account each pay period. This plan provides an incentive that if you contribute 6% of your pay, we reward you with a match of 5%. Specifically, we will match 100% on your first 4% and 50% on your next 2%. Consider deferring at least 6% of pay to maximize the match. Don't leave money on the table! See table for example.

Safe Harbor 401(k) Retirement Savings Plan							
Employee deferral	0%	1%	2%	3%	4%	5%	6%
Employer match	0%	1%	2%	3%	4%	4.5%	5%
Total contribution	0%	2%	4%	6%	8%	9.5%	11%

If your hire date is prior to 1/1/2022, you are immediately vested. If you are hired 1/1/2022 or after, you will be fully vested in the employer match 2 years following your original hire date. Refer to the Plan document for further details and information about vesting.

If you have qualified retirement funds from another employer and are interested in a direct rollover into the Sanford 401(k) Retirement Savings Plan, please contact Principal at (800) 547-7754 or log into your account at principal.com.

You may choose to contribute up to 50% of your total pay through any combination of pre-tax and/or Roth (post-tax) contributions. When you make pre-tax contributions, the amount you invest comes out of your paycheck before your income is taxed. A Roth (post-tax) contribution is the opposite. You can change the tax status of your pre-tax contributions, using an "in plan Roth conversion" at any time throughout the year. To do so, contact Principal Financial.

**You have the right to opt out or change your contribution rate or investment elections at any time...**

By contacting Principal at (800) 547-7754 or logging into your account at [principal.com](https://principal.com)

# Important Notice from Sanford Health

## About Your Prescription Drug Coverage and Medicare

### Creditable Coverage Disclosure Notice

**Please read this notice carefully and keep it where you can find it.**

This notice has information about your current prescription drug coverage with Sanford Health and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

**There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:**

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Sanford Health has determined that the prescription drug coverage offered by Sanford Health is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and **is therefore considered Creditable Coverage**. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

#### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

#### **What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?**

If you decide to join a Medicare drug plan while enrolled in Sanford Health coverage as an active employee, please note that your Sanford Health coverage will be the primary payer for your prescription drug benefits and Medicare will pay secondary. As a result, the value of your Medicare prescription drug benefits may be significantly reduced. Medicare will usually pay primary for your prescription drug benefits if you participate in Sanford Health coverage as a former employee.

You may also choose to drop your Sanford Health coverage. If you do decide to join a Medicare drug plan and drop your current Sanford Health coverage, be aware that you and your dependents may not be able to get this coverage back.

#### **When Will You Pay a Higher Premium (Penalty) To Join a Medicare Drug Plan?**

You should also know that if you drop or lose your current coverage with Sanford Health and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### **For More Information About This Notice Or Your Current Prescription Drug Coverage...**

If you have questions about this Notice, please contact Customer Service at (800) 752-5863 (toll-free) | TTY/TDD (877) 652-1844 (toll-free). NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan and if this coverage through Sanford Health changes. You also may request a copy of this notice at any time.

### **For More Information About Your Options Under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at (800) 772-1213 (TTY (800) 325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

# New Health Insurance Marketplace Coverage Options and Your Health Coverage

## PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins **November 1, 2022** for coverage starting as early as **January 1, 2023**.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact:

Name of Entity/Sender: Sanford Health  
Contact – Position/Office: Human Resources – Benefits Department  
Address: 2200 E. Benson Rd.  
Sioux Falls, SD 57104  
Phone Number: (877) 949-5678  
Email Address: [hrrbenefits@sanfordhealth.org](mailto:hrrbenefits@sanfordhealth.org)

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](https://www.healthcare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>1</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer Name <b>Sanford Health</b>		4. Employer Identification Number (EIN) <b>27-1218956</b>	
5. Employer Address <b>1305 E 60<sup>th</sup> St North</b>		6. Employer Phone Number <b>877-949-5678</b>	
7. City <b>Sioux Falls</b>	8. State <b>SD</b>	9. Zip Code <b>57117</b>	
10. Who can we contact about employee health coverage at this job? <b>Sanford Health Human Resources – Benefits Department</b>			
11. Phone Number (if different from above) <b>877-949-5678</b>		12. Email Address <a href="mailto:hrbenefits@sanfordhealth.org">hrbenefits@sanfordhealth.org</a>	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

☐ All Employees

☒ Some Employees.

Sanford offers health coverage to employees scheduled to work at least 40 hours or more per pay period (which is a two-week period of time).

- With respect to dependents

☒ We do offer coverage.

Eligible dependents are:

- Spouse
- Common law spouse
- Dependent child(ren) to age 26

☐ We do not offer coverage.

☒ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

\*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.

# SANFORD PREMIUMS 2023
